SIR,

Demise of the Swamigalu of the Sri Hariharpur Matha at Punganoor.

In continuation of this office letter No. C. 428/36-37 dated 5th October 1936, re: the above, I have the honor to state that as it was reported by the Deputy ~~Commissioner~~ Tahsilder that immediate arrangements were necessary for the feeding of the Matha servants and cattle, a sum of Rs 100/- from the Matha funds was sanctioned by me for emergent expenses, subject to adjustment in due course.

2. A further report dated 8th October 1936 received from the Deputy Tahsildar is sent herewith with all its enclosures. The Deputy Tahsildar suggests that the officer deputed to wind up the Matha affairs may be given necessary powers to meet all unavoidable items of expenditure and the deputation of a Police officer not below the rank of a Sub Inspector to escort the property to Srinivasapur. A copy of letter No. A.2. C.1387/36-37 dated 8th October 1936 received from the Deputy Commissioner, Kolar District, is also enclosed.

3. Apparently, B. Krishna Rao who styles himself as the Camp Assistant of the late Swamigalu has taken advantage of the Swamy's sudden death and wants to create further trouble and complications in the matter. His letter dated 7-10-1936 to the Deputy Tahsildar (copy enclosed) savours of impertinence and his insinuations that the Amildar of Srinivasapur is in a hurry to take

away the moveables not making any provision for the immediate expenditure that has got to be incurred, that such hasty action will involve several people including responsible officers in unpleasant litigation and his threat to make representations to the Sub Collector are unwarranted and highly objectionable. Besides, he holds no power from the late Swamigalu and his credentials to act on behalf of the Matha require to be carefully enquired into.

4. The Deputy Commissioner recommends that a sum of Rs 500/- (Rs 300/- for funeral expenses and Rs 200/- for feeding and transport charges) may be advanced, subject to recoupment by the sale of the cattle and carts. There is only a cash balance of Rs 89/- and odd at the credit of the Matha against which payment of Rs 100/- has already been ordered by me as stated above. As funeral ceremonies have to be necessarily done and as expenditure for transport of the properties from Punganoor to Srinivasapur has also to be incurred, I recommend that a sum of Rs 400/- may be sanctioned from the General Muzrai Fund, subject to recoupment from the Matha funds or the amount realized by the sale of cattle and carts. The amount will be placed at the disposal of the Deputy Commissioner, Kolar District, who will be requested to minimise the expenses for funeral ceremonies as far as possible and not to exceed Rs 300/- in any case and also to incur the most essential items of expenditure from the balance of Rs 100/- and render a correct account of the same. The Government cannot undertake either to meet the Swamy's liabilities or to defray the travelling expenses of the Matha establishment on their disbandment. As further suggested by the Deputy Commissioner, the entire properties may be taken charge by the Mysore Officer and brought to Srinivasapur under proper Police escort. The deputation of a competent Sub Inspector of Police may also be approved. The cattle, carts etc., may be more advantageously sold at Srinivasapur than at Punganoor and the Deputy Commis-

...ll be informed accordingly.

5. I solicit the favour of immediate orders on the above proposals.

I have the honor to be,

Letter Ref.3654/C./36 dated 8-10-36 from the Deputy Tahsildar, Punganur to the Muzrai Commissioner in Mysore.

His Holiness the Hariharpur Mutt Swamiji's death - property - Handing over to Mysore Government.

Ref:- Your letter No.428/36 dated 6-10-1936.

One Mr. B. Krishna Rau who calls himself as the camp Assistant of the late Swamiji represents to me that there are many liabilities to be met here before the camp is dissolved.

A copy of the petition dated 7-10-1936 presented to me by him and copi of his statement which I recorded from him to-day and of the account of liabilities furnished by him are enclosed for your information and such orders as you deem fit. I am not in a position to offer any remarks on the merits of the several claims made by him but it is clear at any rate that items 3 9 require immediate payment after due enquiry. The officer deputed to wind up the Mutt affairs may, therefore, be given complete instructions and necessary powers to meet all unavoidable items of expenditure. If you think that the other arrears and claims made by the camp Assistant will be looked into and decided upon in due course, the camp Assistant may be informed accordingly.

The camp Assistant proposes to stay here till all the funeral ceremoni are over i.e., up to about 20-10-1936 and retain some of the cooking vessels till then. Such orders that you may pass in this regard may be communicate to the camp Assistant and to your deputy who is sent there. I may also sta in this connection that the property to be taken charge of consists of jewe of gold and silver reputed to be worth about more than Rs 10,000 besides numerous boxes and a lot of utensils and all the samans put together will occupy 5 bandies. In fact, the late Swamiji had left behind 5 bandies in which he was carrying all the above properties from place to place.

In view of the total value of valuable property, the Sub Collector, Madanapalle, has ordered in his No.E.5503/36 dated 7-10-1936 that the proper ty should be handed over to the joint custody of the Sheristedar of the Srinivasapur Taluk who has already been here and a responsible Police Office not below the rank of Sub Inspector and that there should be adequate bandobust for their conveyance in transit. I have accordingly addressed Sheristedar of the Srinivasapur Taluk yesterday to secure the presence of a Police Officer and necessary bandobust before he takes charge of the property. Necessary orders may kindly be issued in this regard.

I would also suggest that the officer deputed here may be given full in

instructions and necessary authority to hear and dispose of any representations that may be made to him by the camp followes of the Swamiji, so that there may be no delay in the matter of handing over the properties on account of unnecessary correspondence. The matter may kindly be treated as very urgent.

ith reference to your Memo No.C.438/36-37 dated 5th October 1936 forwarding a copy of your letter to the General Secretary to Government and asking me to take immediate action regarding para 2 of the letter referred to, I have the honor to state that instructions were issued to the Amildar, Srinivasapur Taluk, to immediately depute Mr. Krishniah Setti, B.A., Taluk Sheristedar, to proceed to Punganur and take charge of all the properties belonging to Sri Hariharpur Mutt and submit a detailed report in the matter. Mr. Krishniah Setti has submitted a report stating that the Deputy Tahsildar of Punganur has written to him saying that the properties of the Mutt are estimated to worth about 10,000. He has further stated that there are six cows, of which four are milking a fair quantity every day, six calves, nine bullocks used for dragging five carts and two old non-working bullocks. An inventory of the properties will be got to be prepared and arrangements made for the sport of the same to Srinivasapur. Instructions will be issued to Mr. Krishniah Setti to prepare an inventory in the presence of the agent of the Mutt and after sealing the boxes in which valuables are kept, to arrange for their transport to Srinivasapur and their safe custody in the Treasury, pending further orders. Articles which are not very valuable, such as utensils, will be ordered to be kept in a room in the Taluk Office premises and sealed. As the properties are estimated to be of considerable value it will be necessary to guard and transport them under proper police escort. The District Superintendent of Police, Kolar, will be requested to depute two Reserve Police Constables in addition to the two ordinary Guard Men Peon Sheristedar to proceed to Punganur and escort the properties during their transport to Srinivasapur. Their travelling allowance will have to be met out of Mutt funds.

Mr. Krishniah Setti will, if approved, be instructed to dispose of the cows, calves and the old non-working bullocks at Punganur itself if fair price could be secured, otherwise he will be asked to do so at Srinivasapur. The calves and bullocks proposed to be disposed of at Srinivasapur and the properties also proposed to be taken.

It is also reported that the servants of the Mutt are to be fed every day in addition to both the Mutt servants and

Letter No. [illegible]428/36-37 dated 5th October 1936, from the Huzur Commissioner, forwarding copy of the telegram dated 4th October 1936, from the Deputy Tahsildar of Nanjangud intimating the demise of the Peramgalu of Sri Jarihariapur Mutt in the Kapu Talak at Nanjangud and stating that he has instructed the Bailiff of the Srinivasapur Talak to send a responsible official to Nanjangud to take charge of the Mutt property immediately and submit a report in due course.

2. The accompanying letter No. [illegible]428/36-37 dated 5.10.1936, from the same officer submitting certain proposals consequent on the demise of the Peramgalu referred to above

In continuation of this office letter No. [illegible]428/36-37 dated 7th October 1936, re: the above, I have the honour to state that as it was reported by the Deputy Tahsildar that immediate arrangements were necessary for the feeding of the Mathe servants and cattle, a sum of Rs. 100/- from the Mathe funds was sanctioned by me for emergent expenses, subject to adjustment in due course.

Further report dated 7th October 1936 received from the Deputy Tahsildar is sent herewith with its enclosures. The Deputy Tahsildar suggests that the Officer deputed to Nanjangud may be given necessary powers to meet all unavoidable items of expenditure and the deputation of a Police Officer not below the rank of Sub Inspector to escort the property to Srinivasapur. A copy of letter No. Ad. [illegible]327/36-37 dated 7th October 1936, received from the Deputy Commissioner, Kolar District, is also enclosed.

Apparently, Mr. Vishnu Das Nanji Styles Dasadi as the [illegible] Peramgalu's sudden death is likely to create further trouble and complications in the matter. In letter dated 7.10.1936 the Deputy Tahsildar copy enclosed] conveys of importunities and his anxiety that the Bailiff of Srinivasapur is in a hurry to take away the movables without making any provision for the immediate expenditure that has yet to be incurred, that such hasty action will involve several people including Revenue officers in unpleasantness [illegible] and threat to make representations to the Sub Collector or [illegible] and lastly objections by [illegible] to have no power from the late Peramgalu and it is also likely to affect the benefit of the Mathe requires to be carefully enquired into.

The Deputy Commissioner recommends that a sum of Rs. 500/- (Rs.300/- for funeral expenses and Rs. [illegible]/- for feeding and transport charges) may be sanctioned, subject to the recommendation

recoupment by the sale of the cattle and carts. There is only a cash balance of Rs.89/- and odd at the credit of the Tahsildar against which payment of Rs.100/- has already been ordered by me as stated above. As funeral ceremonies have to be necessarily done and as expenditure for transport of the properties from Bangarpet to Srinivaspur has also to be incurred, I recommend that a sum of Rs.400/- may be sanctioned from the General Famine Fund, subject to recoupment from the Taluk funds or the amount realized by the sale of cattle and carts. The amount will be placed at the disposal of the Deputy Commissioner, Kolar District, who will be requested to minimise the expenses for funeral ceremonies as far as possible and not to exceed Rs.3/- in any case and also to get the cost ascertained from each expenditure from the balance of Rs.89/- and render a correct account of the same. The Government cannot undertake either to meet the wages liabilities or to defray the travelling expenses of the Taluk establishment on their disbandment. As further requested by the Deputy Commissioner, the entire properties may be taken charge by the Mysore Officer and brought to Srinivaspur under proper Police escort. The deputation of a competent Sub Inspector of Police may also be approved. The cattle, carts etc., may be more advantageously sold at Srinivaspur than at Bangarpur and the Deputy Commissioner will be informed accordingly.

I solicit the favour of immediate orders on the above proposals.
